Life locked-down really

What is Life locked down really?

It is believing
you are less than you are

and
believing
you can do
less than you can.

Just don't let
your mind
be in lockdown.

You are an expansive
Spiritual Being
of Infinite Light.

Elevated and expanded,
grounded and real...

Infinite Love,
you are here to feel.

Freedom & fixed belief

Freedom and fixed belief
do not go together.

And they do.

Because you are free
to exist in fixed belief

if you want to.

But there is no Freedom there.
Only fixed belief.

PS. I'm open.
But not so open
that I'm closed
to closed-ness.

The Truth Is

The Truth Is,
whether you believe in it
or not.

Whether you (think you) 'exist in it'
or not.

Whether you are Alive, dying, or dead.

The Truth Is.

No lesser pleasantries will do.
No 'more convenient' notion(s).

A society (and individuals within it)
cannot deny Truth
and yet remain healthy.

Truth is everything.

Truth is All.

Untruth falls away, when Truth Is.

(...And Truth Is).

LIFE IS NOT LOCKED DOWN
(something else is)

“Don't you know there's a lockdown?”

“Don't you know that Life can't be locked down?”

Life is no longer Life
when it is
locked down.

What can be
'locked down'
is not Life.

Not Life
in its Fullness,
at least.

The bit of us
that cannot fully live
is what's locked down.

WE ARE, PRIMARILY, HUMAN
(At least on that world level alone...)

*Can this be what we see first and foremost,
in all our interactions (i.e. before the divisions)?*

Seeing in divided ways
divides us.

Can't we see
each other
as HUMAN.

There's always more
that unites us
than divides us

if we're prepared
to look.

But it's easier to go
by convenient labels,
false primaries.

Because then we don't
really have to
engage...

And we can
live our lives
by the false
cut and dry
values we've
chosen to filter
Reality
through.

So we don't have
to work the faculties
of our in-depth capacities
of the shared and undivided
humanity we might be missing.

TRUTH IS.

TRUTH IS.

You can deny it
to yourself if you
want to, but

TRUTH IS.

We know this.
But we deny it
to ourselves.

TRUTH IS.

And every time
we deviate from
it, we know.

Because we
feel it in
ourselves.

As a negative
emotion or
discordant state.

This is our teacher.
The Truth
within us.

TRUTH IS

We ignore it
at our own
peril.

TRUTH IS.

IMPRINT(S)
OF LOVE

HERE WE ARE

IN THIS
SPACE & TIME...

IN THIS
ETERNAL PRESENT MOMENT
OF LOVE

IMPRINTS
OF THE ONE DIVINE.

LIFE MUST BE LIFE

LIFE
MUST BE
LIFE.

ALWAYS,
AND IN
ALL WAYS

LOVE.

Why 'Know Thy Self'?

Well, because it's
Who You Are.

And because
you've got to know yourself
to know what you want and need.
To communicate what you want and need.
And form relationships that are true to this- to you.
And thus true to others too.

And all this enables you to live your best life.
The greater the awareness, the wider and clearer,
the more effective your choices, in living life well.

False selves.

IF YOU TRY TO APPEASE
EVERY FAD OF
MODERN HUMAN SOCIETY,
EVERY FASHIONABLE IDEA
AND IDEOLOGY
AND IN-VOGUE TREND,
THEN YOU BECOME AN EMPTY SHELL.
AND NOT AN EMPTINESS OF LIFE'S POWER,
BUT AN EMPTINESS OF VACUITY-
YOUR SELF-DETERMINING SPIRIT ABSENT.
YOUR SELF-DETERMINATION SIPHONED OFF.
NO STRENGTH BUT THE SYSTEM THAT IMPELS YOU
AND THAT COMES TO OCCUPY YOU.
AND YOU'RE JUST LIVING ON A COLLECTIVE HIVE
MIND PROGRAM YOU MIGHT MISTAKENLY CALL
'YOUR SELF.' WHICH IS DIFFERENT TO A SOCIETY
OF INDIVIDUALS, INDIVIDUALLY FREE, AND TRUE...

ALL THE ONE

DUALITY IS NON-DUAL.

BUT YOU CAN PRETEND IT'S NOT.
IF YOU WANT TO.

[HOWEVER YOU CHOOSE TO DIVIDE IT,
IT'S ALL THE ONE].

FOLLOW YOURSELF

UNTIL YOU GET THERE.

WHEREVER YOU ARE.

LOVE.
